Sanctity of Human Life Sunday

What is Sanctity of Human Life Sunday?

This is a day we set aside every year to focus on the value of each and every human life. Human life has intrinsic value and is worth fighting for under any circumstance. It is celebrated every year on the Sunday closest to the anniversary of the 1973 U.S. Supreme Court decisions *Roe v. Wade* and *Doe v. Bolton*, which legalized abortion in every state for any reason through all nine months of pregnancy.

Before I formed you in
the womb, I knew you.
Before you were born, I
set you apart.

Jeremiah 1:5a
